

Avon's American Legion needs your help

As you probably know, Avon is going to build a bridge over the CSX tracks and our building will be torn down soon.

We must begin construction of a new home.

Our new building will serve the fundraising needs of Post 145 as well as the needs of our growing community, and will provide a venue for reunions, weddings and other gatherings.

Please make your check payable to:

Avon Legion Sponsors Fund

c/o American Legion Post 145
375 South State Road 267
Avon, IN 46123

We'll be tracking the progress of this fundraiser on a 1:12 floor plan of the building and we'll personalize the squares you sponsored.

Please provide instructions on the form below.

Please enclose a business card if this is a business donation.

.....
Please tell us how you would like your sponsorship shown on the floor plan:
